Bishop Belleau School Students Receive “Warm” Donation

November 5, 2021

Bishop Belleau School (BBS) is the lucky recipient of beautiful winter goods, including winter coats, hats, gloves and mittens, generously donated by Dumoulin’s in Timmins. Dumoulin’s, *Northern Ontario Finest Outdoor Enthusiasts*, is known as the store for the way you like to live, and they have shown their incredible commitment to the community through this donation.

As Bishop Belleau School is located in Moosonee, these goods needed to be shipped to the school by train. Ontario Northland stepped up to this challenge and offered to cover the fee for all shipping costs. Rob Lecours, Supervisor Express Freight with Ontario Northland, commented “Ontario Northland is always looking to help make a difference in local communities and region we serve. We are pleased to support the complementary shipping of winter garments to Bishop Belleau Catholic School.” The shipping fees were graciously waived by Ontario Northland Passenger Services.

Tricia Stefanie Weltz, Director of Education, remarked “On behalf of the Northeastern Catholic District School Board and the Bishop Belleau School community, I would like to extend our sincere message of gratitude to Dumoulin’s and Ontario Northland for their respective donations and generous support for the students at Bishop Belleau School. We are overwhelmed by this kind gesture and we know that our students will benefit greatly because of these donations.”
